To whom it may concern,

I am pleased to inform you about a **research grant opportunity** at the [Historical Archives of the European Union](#) that may be of interest to master's students, doctoral researchers and early career academics at your institution.

The Spring 2022 call for applications is open, with the deadline having been extended until **31 May 2022**. Complete information on the grant and how to apply can be found [here](#).

We would be grateful if you could share this call for applications as widely as possible within your university, and invite you to circulate it among relevant scholarly networks.

Sincerely yours,
