

The screenshot displays the 'Annotate' tab in the software. The 'Balloon Note' tool is active, and a dialog box is open for configuration. The 'ATTACH TYPE' menu is expanded, showing options like 'On Surface', 'Free Point', and 'Filled Dot'. The 'Arrow Style' menu is also open, showing options like 'Standard', 'Normal Leader', and 'Tangent Leader'. The drawing area shows a technical drawing of a valve assembly with dimensions and callouts. A dimension of 46.5 is shown. Callouts 1, 2, 3, and 4 are visible. A 'Balloon Note' dialog box is open, showing the text 'Create a balloon note.' and a 'Select' dialog box is also open, showing 'Select 1 or more items.' and 'OK' and 'Cancel' buttons.
