Dear Reeco Colleagues,

Thank you for co-organising with HWEA the successful and well attended Wind Energy Forum within Renexpo in Budapest. We have received some very positive feedback from participants of the forum on the quality of the speeches and the usefulness of the questions raised.

Based on the terms agreed between Ms Hegner and Dr Toth on 30 November 2006 we would like to ask you to send us the amount of fees paid by the participants so that we could send you an invoice of the fixed 70 % of fees.

Also please send us the list of participants as we plan to issue a brochure of the presentations and want to distribute it for the participants, too.

Thank you in advance for your quick response.

Kind regards,

Klára Pankász  
Secretary  
Hungarian Wind Energy Association

Dr. Tóth Péter  
Chairman  
Hungarian Wind Energy Association
